## Dr. Brett's Specialties

#### Sports Psychologist

With passion and purpose, Dr. Brett, Sports Psychologist, avid golfer and good athlete, assists a wide range of both competitive and non-competitive athletes such as golfers, soccer, football, and baseball players to perform at much higher levels and to achieve their dreams and goals. His commitment to excellence and expertise with the mental game has a huge impact on their success over time. Teaching athletes to systematically focus on the Fairway, a metaphor for what you want in life, business, and sports and to systematically eliminate the dramas and distractions is essential. His work with athletes

also involves a great deal of teaching on meditation and mindfulness, the basis for present moment awareness, the magic of success.

### Who it's meant for

High school, college, and professional athletes, small groups of athletes and teams

# Conversations with Dr. Brett

In **Conversations with Dr. Brett**, who is a prominent life coach and sports psychologist, teaches a young woman named Katie much of what he has learned in over 30,000 hours of working with people and living adventurously.

With passion, wisdom, and humor, Dr. Brett helps Katie and several others explore present moment time, meditation, mindfulness, and outstanding communication as it relates to love and intimacy. [Find out more](#)
